

FORTRESS EUROPE ERRATA

PAGE 54

In our first printing of Fortress Europe there were a small number of omissions or errors. This page can be printed in colour or black and white and the appropriate sections replaced, or just keep it with your copy of Fortress Europe for reference.

PAGE 53

ROCKET LAUNCHER BATTERY

- Add Kfz 15 field car and Sd Kfz 11 half-tracks at no cost.

ARMoured ROCKET LAUNCHER BATTERY

PLATOON

HQ Section with

2 Launcher Sections 340 points

1 Launcher Section 180 points

OPTIONS

- Add up to one Panzerwerfer 42 rocket launcher to each Launcher Section for +50 points per launcher.
- Model Panzerwerfer 42 (Maultier) rocket launchers with 5 or more crew and count each rocket launcher as two weapons when firing a bombardment for +5 points per rocket launcher.
- Add Anti-tank Section for +30 points.
- Replace 5cm PaK38 gun with 7.5cm PaK40 gun for +20 points.

PAGE 68

An Armoured Recce Squadron in Italy is organised the same way as the Armoured Squadron on page 66, but must replace all Armoured Platoons with Armoured Recce (Type A) Platoons.

PAGE 69

An Armoured Recce Squadron is organised like the Armoured Squadron on page 66, except that it must replace the Armoured Squadron HQ with an Armoured Recce Squadron HQ, and Armoured Platoons with Armoured Recce (Type B) Platoons.

STEEL WALL

Howitzer Platoons in an Artillery Battalion may fire a bombardment together as a separate battery apart from the Gun Platoons. If any Howitzer platoon fires an artillery bombardment, all Gun Platoons must either participate in the bombardment, or may instead conduct normal Shooting.
